WEARMASTER

The New Premium In Heavy Duty
Skid Steer, Backhoe, and Aerial Lift Tires

OTR WEARMASTER

- NON-DIRECTIONAL "ALL TERRAIN" design allows for great Mud Traction; while dramatically extending wear on hard surfaces.
- Two more plies than most "HEAVY DUTY" tires.
- Rim guard and extra heavy duty sidewalls.
- Most advanced Cut and Chip Resistant Rubber Compound Available.
- Reinforced Bead Area.
- "Made in the USA".
- Now available with Tyrlyner!
