

Your Trusted Partner in Engineered Tire & Wheel Solutions

OTR provides highly engineered off-the-road tire and wheel solutions for OEM and aftermarket customers worldwide. We focus on your needs to provide higher level solutions – design, engineering, manufacturing, logistics, and support – to simplify your operations and enhance your offerings.

Why choose OTR? Because we make your life easier with:

- **Comprehensive Expertise:** 35+ years of experience in agriculture, construction, mining, forestry, lawn & garden, powersports, and more.
- **Innovative Products:** Solid and foam-filled tires, airless designs, tracks, assemblies, and 125+ proprietary tread designs and 80+ patents under our belt.
- **Global Presence:** 30+ facilities worldwide supporting 1,400+ employees.
- **Customer-Centric Focus:** 15+ year average tenure with top-tier clients.

Our Products and Services

- **Tires:** Proprietary designs and tailored solutions for various applications.
- **Wheels and Assemblies:** Innovative engineering for heavy-duty performance and durability.
- **Tracks:** Advanced technology for stability and reliability in challenging terrains.
- **Value-Added Services:** Custom engineering, foam-fill exchange, warehousing, tire mounting, on-site assembly, and more.

OTR'S COMMITMENT:

SOLUTIONS

OTR doesn't just sell tires and wheels, we diagnose problems and provide solutions.

VALUE

OTR optimizes ROI with high performance & value-added services to deliver results.

INNOVATION

OTR has a passion for innovating solutions that exceed customer expectations.

PARTNERSHIP

We're not just a vendor, we're a long-term partner who will support your business.

**Making Customers'
Lives Easier™**

Want a multi-solution supplier? Choose OTR
